

We know you've been waiting for it! Information Exchange, 2026 is IN THE WORKS!

At BCC Software, we believe transformation isn't tomorrow—it's happening right now. That's why our 2026 InfoXchange Conference is themed **Next is Now**. From cutting-edge software breakthroughs to data-driven strategies, this year's event will demonstrate how the future of mail and marketing is already within reach. Our expanded, week-long series of information exchange events offers MORE—more seminars, more product features, demos, and product feature reveals, more executive tracks and cross-talks—more of what you need to enhance your business workflows. There's something for everyone at InfoXchange 2026.

Join BCC Software a part of the event, or many, from August 5–13, 2026, where industry leaders, innovators, and visionaries in our industry unite to explore automation, integration, and insight across the postal and data industry.

Learn more and sign up below to be the first to receive early-access event announcements & info.

Postal Service Adjusts Priority Mail, Ground Advantage, and Express Rates for Holidays

WASHINGTON — The U.S. Postal Service filed notice with the Postal Regulatory Commission (PRC) regarding a temporary price change for some package services for the 2025 peak holiday season. This temporary price adjustment is to help cover extra handling costs to ensure a successful peak season. The temporary rates will go into effect at midnight Central on Oct. 5 and remain in place until midnight Central on Jan. 18, 2026.
