

BCC Mail Manager LE

Comprehensive Postal Software Solution

High-performance mail management. Low-impact price tag.

Your organization deserves the profit-boosting and productivity-enhancing features of elite mailing technology. BCC Mail Manager LE™, the leading choice of postal software for small and occasional mailers, provides professional quality presort power at a price even a sole proprietor can afford.

PUT YOUR PROFITS WHERE THEY BELONG: IN YOUR POCKET

BCC Mail Manager LE allows you to presort mail jobs quickly and easily within a user-friendly interface. It can pay for itself in record time, with features that can greatly reduce costs and improve efficiency, including encoding jobs against the USPS® ZIP + 4® database—updated six times each year with every BCC Mail Manager LE subscription.
